

## **TY 2008 Accepted Forms and Schedules for Forms 1065/1065-B**

**Rev. 05/12/2009**

The chart below identifies the 1065/1065-B forms and schedules that will be accepted for Tax Year 2008 and the maximum number of forms that may be submitted with each return.

- Schedule C (Form 1065) has been added for TY 2008.

**05/12/2009 Update: The following forms will be available in XML in Production on June 29, 2009: Form 3468, 5884-A, 8931, 8932, and 8933.**

**02/24/2009 Update: The following forms will be available in XML in Production on March 2, 2009: Form 4684, 5884, 6478, 6765, 8586, 8820, 8844, 8845, 8846, 8864 and 8900.**

The Service is keenly aware that the timing of this update may cause problems for some software developers and taxpayers. The Service would prefer to receive the forms in XML. However, in an effort to minimize the impact of this change, the Service will allow the forms to come in as PDF until April 5, 2009 as long as the return passes the latest version of the business rules (2008v5.1 for partnership family).

12/12/2008 Updates:

- Legislative changes to some forms will not be completed by January 2009; therefore, the following forms may not be submitted in XML until the changes are implemented: Forms 3468, 4684, 5884, 6478, 6765, 8820, 8586, 8844, 8845, 8846, 8864, and 8900. These forms must be attached as PDF. The chart will be updated as the XML becomes available for each form.
- The following new forms for TY2008 can be accepted as a PDF: Forms 8931, 8932 and 8933. The XML will be available at a later date.
- Form 8860 has been removed. This form is obsolete beginning TY2008.
